Projector Rental:

Bring Visuals to Life with High Performance Projectors

At **CP IT Solutions**, we have a diverse selection of projectors suitable for gatherings of up to 500 people, making them ideal for meetings, conferences, or larger events. Every projector is designed to provide clear visuals unobstructed by accompanying sound systems to enhance audience engagement.

We complete every event regardless of the size, small, medium or large with our dedicated technical team, ready for immediate on-site support. Our experts are on standby to resolve any sudden issues ensuring the event runs smoothly.

Showcase with Impact Using Our Advanced LED TVs

For every business executive seeking to market their brand or any individual looking for the latest models in LED TVs, CP IT Solutions is the ideal place to fulfill all of your LED TV rental requirements. We offer complete assistance, including pre-installation, installation, and even post-installation.

LED TV Rental:

With a vast inventory of LED TVs, we are fully equipped to handle all types of content and bandwidth. This along with quick resolution of any technical issues ensures a smooth rental process from beginning to end.

Printer Rental:

Maintain Productivity with Business-Grade Printer Rentals

The bulk printing tasks during conferences, trade shows, or seminars can be quite a handful. Rather than investing in expensive printers, CP IT Solutions specializes in dependable and effective printer rentals suited for your business printer rental needs.

We have a broad array of printers, to include HP LaserJet 1102, HP LaserJet P2055d, HP LaserJet MFP 177FW, HP LaserJet Pro 400 Color M451dn, and HP LaserJet Pro 200 Printer 251N. Customers are able to select the most appropriate for their printing tasks. All have customer support and printer troubleshooting instructions.

Whiteboard Rental:

Collaborate Smarter with Our Interactive Whiteboard Rentals

Transform the way you collaborate with interactive whiteboard rentals from CP IT Solutions. The whiteboard rentals that we offer can fundamentally change the collaboration, presentation, and idea-sharing processes in meetings, training, or conferences. Our whiteboards support team and motivates all sorts of employees. With us your team can achieve and present company goals effortlessly.

Digital and traditional whiteboards are included in our collection. Rentals are simple to set up and are supported with technical help. Every rental includes full technical support so that you can focus on your event or work without tech interruptions.

Audio Visual Rental

Immerse Your Audience with Unmatched AV Experiences

At **CP IT Solutions**, we bring your events to life with high-quality audio visual rentals that deliver stunning visuals and crisp sound. With years of experience in the AV industry, we've become a trusted name for clients seeking reliable and customized audio-visual solutions.

Understanding that every event is unique, we tailor our offerings to suit your exact requirements—be it for outdoor events, corporate functions, trade shows, or weddings. Our AV equipment can be rented for a week, a month, or even shorter durations, with complete flexibility and technical support to match.

Powerful Sound. Professional Setup. Every Time

Make your events unforgettable with our premium sound system rentals. At CP IT Solutions, we ensure every unit of audio equipment is thoroughly tested for top performance before reaching you. Our systems are ideal for everything from corporate presentations to energetic public events.

Sound System Rental

We maintain the highest quality standards, and our skilled technicians provide full setup and installation to ensure flawless delivery. Thanks to our commitment to excellence, we've earned the trust of businesses and event organizers across the UAE. CP IT Solutions also proudly collaborates with international leaders in professional audio to give your events the edge they deserve.

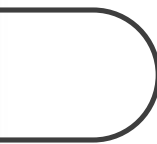

TouchScreen Rental

Create Instant Engagement with High-Performance Touch Screens

At **CP IT Solutions**, our touch screen rentals offer an immersive, high-resolution visual experience with exceptional brightness and responsiveness. Designed for instant interaction, our touch screens are self-operable and perfect for fast-paced environments like trade shows, exhibitions, and events.

Multiple users can seamlessly interact with the displays at once, making them ideal for showcasing products or services. We offer a variety of options including multi-touch screens, LED and plasma displays, touch monitors, and interactive kiosks—all available at competitive rental rates.

TouchScreen Kiosk Rental

Interactive, Intuitive, and Impactful—Touch Screen Kiosks for Every Need

CP IT Solutions provides flexible, easy-to-use touch screen kiosk rentals that combine user-friendly functionality with modern digital appeal. Our kiosks are available in various sizes, brands, and configurations—allowing customers to choose the software and platform that best fits their needs.

From Windows and Android to Linux and iOS, our touch screens are compatible across major systems. Whether it's a flat-screen display, touch table, video wall, or kiosk unit, installation is quick and hassle-free—bringing convenience and interactivity to your events or business space.
